Application support for consecutive year Colombia applicants only

If you are applying for a consecutive year in Colombia, you will need to complete most of the application form in full and ensure that you refer to the below advice regarding other sections of the application form:

- **Language level:** write 'Consecutive applicant – COLOMBIA'.
- **Employment:** Make sure to include details of your current and any previous roles as a Language Assistant in this section.
- **Returning and Former Assistants:** All consecutive and non-consecutive applicants are required to upload a reference from their current or former host institution to their application. The reference from your current or most recent host institution must comment on your performance as an assistant and state that the school would recommend you for another year on the programme. The reference must be dated, signed, and stamped by the school and should be on school letter-headed paper. Your application may be unsuccessful if this reference is unsatisfactory.
- **Disability and additional requirements:** Fill in this section with any disability, medical or additional requirements even if you have declared these on a previous application form.
- **Personal statement:** You are still required to complete the supporting statement and cultural exchange section of the application form.
- **Regional/environmental preferences:**
 - If you wish to remain at the same host institution: write 'Consecutive applicant – COLOMBIA'.
 - If you wish to change your host institution and/or region, state your reasons in the relevant box.
- **Referee details:**
