Universitas Airlangga & Aston University

Preventing sexual violence on university campuses in Surabaya, Indonesia

Professor Hannah Bartlett

Preventing sexual violence on university campuses in Surabaya

1

- Understand the incidence and awareness of sexual violence on university campuses in Surabaya

2

- Review the current state of policy and procedure with respect to sexual violence in universities

3

- Review and report on the extent to which universities in the region have implemented the Ministry of Education and Cultural Act no. 30 2021

4

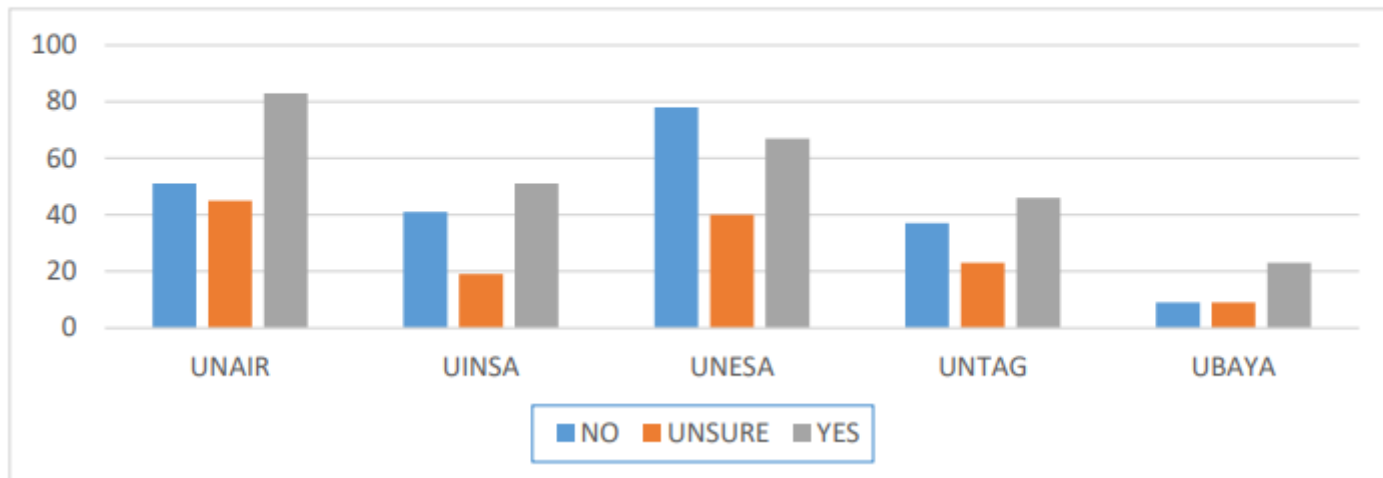

- Develop educational materials for students and staff

5

- Create a national network of support

Survey of students and leaders

Graph 3.2 Have you ever known or heard of sexual violence cases that happened in your institutions?

Development of educational materials
